Enjoy the best of both worlds in this 1,728 sq ft scenic south facing bungalow style home with vaulted ceilings that bring the light & spectacular mountain views right into your living space including the living, dining room and kitchen. The living room with feature Rundlestone wood burning fireplace with log lighter gives access to the large sun soaked front deck with full 180 degree mountain views. The kitchen with stone countertop, raised eating bar and stainless appliances opens to the dining area as well. Completing the main level is the master retreat with 5 piece bath along with a main floor office and both have access to a wrap around deck facing the Silvertip Golf Course. Completing this level is a half bath and laundry room. The lower walkout level with toe warming inslab heat boasts a family room, 2 additional bedrooms, full bath and access to the heated oversized double car garage.
