\$967,500

Gorgeous scenery from a private sun and viewing deck.

Tucked away in the quiet tranquil desirable Homesteads, this 3 level 1,584 sqft walkout townhome has too many upgrades to mention them all. The open concept main floor with living and dining rooms that open to the beautifully renovated kitchen with stone countertops and stainless appliances including bosch gas stove/electric oven and incredible pantry. Completing this floor is the private balcony, attached garage with abundant storage and updated powder room. Upstairs is the Primary retreat with views everywhere you look including the private stunning sun and view deck. Mornings start like a dream in the beautiful renovated ensuite bath and walk in closet. The lower level walkout features a large family room, bedroom and another full renovated bath, all with toe warming inslab heat. Also off the family room is a private fenced outdoor oasis, your third private outdoor space. Other upgrades include upgraded flooring throughout, upgraded storage and central air conditioning.
