Truly unmatched views inside and out

Enjoy this top of the world premiere penthouse in Pinnacle, the highest elevation of any building in Canmore. This well designed 2,837 sqft single floor home has truly unmatched views inside and out and features a south facing primary balcony & a 2nd balcony accessed by both primary retreats. In the kitchen with stone countertops & walk in pantry, the chef in the family may find it hard to concentrate with the views of Three Sisters each time they look up. These views continue though the dining & living room with a feature gas fireplace. The first primary retreat features a corner gas fireplace, sitting area, walk-in closet & spa-inspired ensuite. The second primary retreat also has a walk-in closet & spa-inspired ensuite. Completing this beautiful plan are 2 more bedrooms or offices with access privilege between them, a three piece bath, large laundry room & a grand entry with a library. Other features include two heated underground parking stalls & a massive storage unit.
